Package Highlight:

- **[KW2 - Kaohsiung Port Warehouse No.2]** Utilizing the simple spatial elements of the warehouse, created a waterfront living space dedicated to the creation, dining and exhibition of Kaohsiung Port. A new experience in Kaohsiung Harborside Life, combining the leisure tourism, cultural creation exhibition, dining and the beautiful port of Kaohsiung.
- **[The Pier2 Art Center]** Rebuilt from an old warehouse, its main structure is divided into four parts: the "P2 Warehouse" for large-scale exhibitions, the "C5 Warehouse" for small works exhibitions, the "Moonlight Theatre" dedicated to performances, and the community "The Art Plaza" is a recreational place for citizens and an art market. The post-modern design style is presented as a whole, and in order to allow the artistic atmosphere to be integrated into the entire citizen's life, art and cultural activities will be exhibited from time to time, providing artists with an art and cultural exhibition hall for creation and publication. Nowadays, there are many works left over from the 2009 Kaohsiung World Games, such as: the three princes of electronic music, puppet show and many other works with images of Taiwan are presented here.
- **[Taroko Suzuka Circuit Park]** A complex shopping mall that combines shopping, sports, parenting, dining, cultural creation, leisure and vacation. The most eye-catching focus: Suzuki Circuit Park is currently the only overseas-licensed paradise for the Japanese Suzuka Circuit. It allows people to experience driving pleasure of self-control. It introduces a variety of recreational rides and can experience the racing of kart driving at its own expense.
- **[Blessing of Dayu]** A large installation art created by Yang Shiyi, the director of the "Golden Horse Awards Best Short Film", a huge whale installation art appeared in Tainan Anping Harborside Historical Park. It is very eye-catching, and it is now the most popular Tainan IG punching spot.
- **[Anping Old Street]** The first street built by the Dutch in Anping more than 300 years ago is also known as "Taiwan's First Street". In the early days, the street was built solely for pedestrians and push carts due to the fact that the street was narrow and there was not that much space to navigate.
- **[Sio Musuem]** Japanese and Western-inspired styles architecture, with delicate appearance with beautifully landscaped trees. The interior exhibition is salt-themed, displaying 366 different unique coloured salt associated to a day in a year from all over the globe.

- **[Taijiang National Park Visitor Center]** The new IG's popular punching point, the only water high-rise house in Taiwan. Foreign resort style is very charming, and the network recommends one of the must-visit attractions in Tainan.
- **[Alishan National Forest Recreation Area]** Alishan has very rich forest resources. Among them, cypress virgin forest is the most precious and affected by height. The distribution of Alishan plants presents tropical, warm, temperate and frigid zones. The area from flat land to 800 meters above sea level is tropical forest. Of course, the thousand-year-old trees that have been felled in the area, the half-decayed tree roots left behind, and the sister pools are certainly not to be missed.
- **[Hinoki Village]** The first forest cultural and creative park in Taiwan, adjacent to Beimen Station and Alishan Railway Park, constitutes a complete leisure and entertainment park, with forestry culture as the core of the development of the characteristic attractions of the reutilization of old buildings, and both Culture, art, history, leisure, art, etc., have become the most distinctive cultural park in Chiayi.
